

## Payment Terms for Richland Parish Louisiana Tax Lien Auction Purchases

Payments will be accepted for tax auction purchases starting on May 6, 2026 after the final invoices have been sent. **Please note that a 'Batch Summary' is not the final invoice and that payments will not be accepted until the final invoice has been sent.** Payment is required by 3:00 PM Central on May 7, 2026.

### **Payment by NACHA:**

Payment for all winning bids will be made by ACH debit from the bidder's account used in the registration process. This is the only form of payment accepted. Richland Parish will initiate the payment of this invoice within twenty-four (24) hours of the closing of the last batch for the total of the amounts purchased through an ACH transaction. It is the bidder's responsibility to make sure that the information entered in the registration process is accurate and that the account used in the registration process is an account that an ACH can be processed. See below Info for more detailed instructions. Non Payments or payments that are rejected due to lack of funds or other reasons may result in cancellation of the corresponding bid(s), a ten percent (10%) penalty and banning from future auctions on this site.
